

## ATRA National Championship Series – NCS

### Series Guidelines and Rules

1. Each ATRA member velodrome may host up to a maximum of two (2) championship series events per year.
2. Series events may include any format and configuration at the promoters discretion. It is not a requirement to host races for every championship category.
3. Event results must be posted on the hosting velodrome's website after the event to be pulled into ATRA's scoring system. No submission of results to ATRA is necessary.
4. Races during series events must be scored at least 5 places deep to allow for allocation of all points scored.
5. If two disciplines are held during the same event, only one set of those results will be counted towards the series results. Longer events will take precedence.
6. Invitational events will not be counted towards championship points scoring.
7. Points will be awarded to the highest category of elite men and elite women racers at each particular event.
8. Top 5 per event will score points, 7, 5, 3, 2, 1
9. Tie break will be number of wins, seconds, thirds, etc. down to fifth placings. If still tied, the tie shall be broken by the total number of NCS races each rider has attended.
10. Points will be scored and Championships awarded for the following events :
  - a. Men – Sprint, Keirin, Kilo, Pursuit, Points Race, Scratch Race, Miss and Out, Madison and Individual Overall Omnium.
  - b. Women – Sprint, Keirin, 500m, Pursuit, Point Race, Scratch Race, Miss and Out and Individual Overall Omnium.
11. Team – Overall including men and women – All points for every team member will count towards the overall team championship.
12. 6-Day, 3-day and multi event Madison races will count as one set of results from the final classification.
13. Individual events within an omnium will count towards their particular championship event.
